2. Please **include** costs of Milling as Dover Hill sections 1-2 will need to be milled to a depth of 2" prior to paving.

3. Town of Dover will supply trucks for milling work.

4. The Road Commissioner will mark all roads before work begins.

5. The contractor will provide Rollers, sweepers, signs and traffic control for paving operations.

6. All shim coats will be at least 1" minimum

7. All driveways will have a 2-foot apron. All intersecting roads must make a smooth transition both off and on roads.

8. The contractor must sweep all shimming and overlay work.

9. The materials used for All overlay will be 3/8 inch asphalt. (For this bid 1/2" asphalt shim may be used on first 1" Dover hill road. The top coat of 1" will be 3/8" asphalt)

10. The contractor must use two rollers when paving

11. Equipment used by the contractor must be approved by the Road Commissioner and maintained in satisfactory working condition at all times.

12. Bids must be sealed and in by April 28, 2023 at the Dover Town Office, to be awarded May 2, 2023 at the regular meeting.

13. The Town Point of Contact is Commissioner Travis Briggs. Call (802) 430-3024 for more information or questions. Bidders are expected to meet with Mr. Briggs. Call to arrange meeting times.

14. All work must be completed by September 23rd, 2023. The contractor will be assessed \$500.00 per day penalty for each calendar day after that until completed

15. Asphalt Escalator Clause: Due to the volatility of the liquid asphalt market, the winning bidder can apply VAOT formulas to hot mix asphalt items under this contract. The base price per ton will be adjusted according to the posted price on the VAOT website. Note: (base price could increase or decrease with this clause). The vendor must give notice to the town if said clause will affect the bid price per ton. At that point a written agreement with the new price per ton must be in place prior to exercising the escalation clause and the beginning of said project. A copy of the VAOT rates for April 2022 is attached.
