Blue Brook Rd (Topcoat)	3168 x 22' x 1 - 421

Est Tons Required - 5734

2. The Road Commissioner will mark all roads before work begins.
3. The contractor will provide Rollers, sweepers, signs and traffic control for paving.
4. All driveways will have a 2-foot apron. All intersecting roads must make a smooth transition both off and on roads.
5. The contractor must sweep all shimming and overlay work.
6. The materials used for All overlay will be 3/8" Type 4 asphalt and basecoat can be 3/4" Type II.
7. The contractor must use two rollers when paving
8. Equipment used by the contractor must be approved by the Road Commissioner and maintained in satisfactory working condition at all times.
9. Bids must be sealed and in by May 1, 2024 at the Dover Town Office, to be awarded May 7, 2024 at the regular meeting.

10. The Town Point of Contact is Commissioner Travis Briggs. Call (802) 430-3024 for more information or questions. Bidders are expected to meet with Mr. Briggs. Call to arrange meeting times.

11. All work must be completed by September 27th, 2024. The contractor will be assessed \$500.00 per day penalty for each calendar day after that until completed

15. Asphalt Escalator Clause: Due to the volatility of the liquid asphalt market, the winning bidder can apply VAOT formulas to hot mix asphalt items under this contract. The base price per ton will be adjusted according to the posted price on the VAOT website. Note: (base price could increase or decrease with this clause). The vendor must give notice to the town if said clause will affect the bid price per ton. At that point a written agreement with the new price per ton must be in place prior to exercising the escalation clause and the beginning of said project. A copy of the VAOT rates for is attached.

ASPHALT PRICE ADJUSTMENT
2024 MONTHLY AVERAGE POSTED PRICES FOR ASPHALT
