TOWN OF DOVER SELECT BOARD

December 21, 2021

The Dover Selectboard has elected not to enact a town-wide mask mandate. However, the Board supports any business that determines that having a mask requirement is in their best interests and the best interests of their patrons and staff, and encourages all members of the public who enter such establishments to adhere to the policies set by the business owners and operators.

(Signed by the Dover Select Board at the 12/21/2021 Regular Meeting. Available for viewing at Dover Town Offices)
