

The Dover Police Department was established with a grant in 1971 to support one policeman for 1 year. After the first year, the department enlarged to a Police Chief and patrolman. An addition was constructed on the back of the Town Office to house the department.

By the 1990's, the department had grown to a Police Chief, 4 full-time police officers and a secretary/dispatcher. In 1995, the former West Dover Firehouse was converted into a police station to house the growing department.

Today, the department consists of a Police Chief, 1 Sergeant, 4 full-time Officers, 1 part-time Officer, and a Dispatcher/Office Manager.
